AUGUST MISSIONS OUTREACH PROGRAMS

For our August Missions giving, we are supporting the Galilee Mission Founded in 1984; the Mission is a non-profit organization that provides a recovery program for adult males dependent on drugs and/or alcohol and in need of residential or other social services.

Workers in the fishing industry and residents of South County receive priority consideration. The organization is licensed by the State of Rhode Island to provide residential substance abuse treatment

For our **Narthex Collection**, we are requesting goods and supplies for the Jonnycake Center: back to school hygiene products such as toothbrushes. Toothpaste, shampoos, soaps and deodorant. As always, food goods such as peanut butter and jelly, coffee, tea, and canned goods are welcome.

PLEASE NOTE: For your donating convenience, a new location for drop-offs has been added!!! A box is now located just outside the church office. Thanks as always for your continued support of our outreach programs

COMING ATTRACTIONS: The Missions Committee is working on plans for a church-wide tag sale to be held Sat Sept 25th at the church. Save the date, and start saving those nearly new items you've been trying to get rid of. Full details following our August meeting.

School Days, School Days, Good Old Golden Rule Days!

It seems as if we have just begun to enjoy summer and already we need to think about the beginning of the new school year.

Back to school sales are going on in retail stores across the country. Parents and students are looking for clothes, school supplies, athletic equipment and more in preparation for the new school year. **Spot Sales**, at the **SCRIP** table, offers cards to **Marshalls** (\$100) and **Staples** (\$25) that you can purchase and receive the same day. Both stores are having wonderful special promotions in preparation for the new school year.

Stores like **Bed, Bath & Beyond** have fantastic sales for those students preparing for college. Items perfect for dorm rooms are piled high on the shelves. **Lands End, Eddie Bauer, JC Penny, Kohl's, Macy's** and **Sears** (to name a few) all offer gift cards through **SCRIP** and are available one week after purchase. Why not include a gift card to **Applebee's, TGI Fridays, or Uno Chicago Grill** in the "Thinking of You" card you send your favorite (and usually starving) college student.

You can place your gift card order at the **SCRIP** table, after each service, or by going to the church web site at www.peacedalechurch.org.

Happy Fall Shopping!
