

FaithBuild 2

FaithBuild is a partnership of Southern Rhode Island Churches for the purpose of raising money to sponsor a Habitat for Humanity build.

In 2007 with the help of 10 churches, including Peace Dale Congregational Church, \$75,000.00 was raised through donations to build the 42nd home built by South County Habitat. It was their first FaithBuild sponsored home, located at 4169 South County Trail. The home was completed and dedicated in June 2008.

The FaithBuild partnership is now forming FaithBuild 2 to sponsor a 2nd house near the first on South County Trail.

Peace Dale Congregational Church, through the Missions and Service Committee would like to again participate in this effort to provide a home to a deserving family.

A Memorandum of Understanding will be submitted to Habitat stating the level of financial commitment and volunteer participation. Don Hermes or Dave Hayes, will attend the partnership Steering Committee monthly planning meetings.

The build has just begun and with the help of PDCC, will be completed in late spring 2009.

We are in need volunteers to:

- a) help with construction (www.southcountyhabitat.org)*
- b) prepare and deliver lunches to the Saturday work crews about once every 6-8 weeks (church school & other church groups could be involved)*
- c) help plan fund raising projects*
- d) help with publicity and other events such as wall-raising & home dedication)*
- e) e) lead devotions at the work site*

Please contact Don Hermes (dhermes@uri.edu) or at 401-783-6314 to volunteer for one or more of the above tasks.
