

BENEDICTION

May Christ go before you to plan and prepare your way;

May Christ walk beside you as friend and companion along your journey;

May Christ come behind you to complete and fulfill what you must leave undone; (and there will be many things)

May Christ be beneath you to sustain and support you;

May Christ be within you to give you strength, peace, hope;

But most of all, May Christ be above you, calling and reconciling your life, now and forever more. Amen
