An Earth Day Parable?

Mark 4:1-10, 14-20

You are invited to read the above-cited Scripture before we gather for our 10 am Family Worship Service this Sunday. We will ponder questions like what does it mean to prepare your soil? In what condition is your soil? How are you cultivating your soil? What are the thorns in your life?

You are also invited to join in the Earth Day activities following worship!

I'll see you soon.

Peace and Joy, Brother Fred

Worship Flowers

What Does It Mean for Our Ocean, Wildlife & Community?

Light refreshments will be served

Speaker: Dr. Barbara Sullivan-Watts – Senior Marine Research Scientist (Emerita), URI; Co-author, *RealOffshoreWind.com*

More than 100 offshore wind turbines are now generating power for Rhode Island, Connecticut, and Massachusetts—but what are the broader impacts?

Join us for a **science-based discussion** exploring key questions:

- *How effective is offshore wind as a renewable energy source?*
- *What are the impacts on whales, fish, birds, and marine ecosystems?*
- *How might this development affect local communities and fisheries?*

Drawing on decades of research and the latest findings from the U.S. and Europe, Dr. Sullivan-Watts will offer a **clear, balanced perspective** on both the benefits and concerns of offshore wind development.

Sponsored by the PDCC Green Team

April Mission of the Month: Egg-a-Day Child Nutrition Program

School children enjoy an egg a day

A small team traveled to Haiti in 2012 after Hurricane Sandy had ravaged a portion of the country. Shocked to see so many empty seats in the schools the team learned that much of the agricultural land had been destroyed and that food scarcity had become an issue. Many children were too hungry and weak to come to school. The schools had no funds to provide food for everyone in need. The team immediately arranged for some rice, beans, and pasta to be sent to the area. But a long-range solution was needed.

A chance meeting on the flight back from Haiti to New York led two women to discover a common concern: the hungry children they had seen during their visit. By the time the plane landed, the two had vowed not only to find a way to feed the children, but were determined to find a way to help the Haitians in the communities they serve become self-sufficient and produce their own food. That was the birth of the Egg-a-Day Nutrition Program (formerly known as OneEgg Haiti) which has, since 2013 provided high-quality animal protein in the form of a hard-boiled egg to over 2500 children throughout Haiti. The goal is to make the program sustainable by educating individuals, especially school children, about how to raise their own food and chickens.

The eggs are purchased from two poultry farms in Haiti with funds raised by various churches throughout the conference. The eggs are picked up every two weeks by our in-country program coordinator in a pick-up truck and delivered to the schools and orphanages that are part of the Egg-a-Day program. At one point, before the Covid-19 pandemic caused the closure of schools throughout

Haiti, there were 17 sites from Port-au-Prince, to Mirebalais to Miragoane receiving eggs. Currently the program continues providing eggs to the orphanages where children live full time.

The eggs are delivered raw and unrefrigerated. (An unrefrigerated egg will keep for between 14 and 21 days – if not stored in the hot sunlight. Volunteers at the sites cook the eggs (mostly on open fires) and serve them to the children for breakfast, snack or lunch each day. It is hard to understand, unless you have traveled to Haiti, how difficult it is to move these eggs from the farms, to the sites, to the children over roads that are rough, clogged with traffic and sometimes not paved.

The program is funded by donations from churches and individuals throughout our conference. For several years, those donations were supplemented by additional financial support from OneEgg.org, a charitable organization that ran a similar program in Africa. However, that organization is no longer able to continue supporting our program. And, since churches throughout our conference are not meeting in person, our traditional forms of fund-raising are no longer viable. Now we rely solely on the donations from individuals and churches.

NOTE: School resumed in Haiti on August 17. Our need for financial support has taken on a new urgency. It does not take much - \$60 will feed a child an egg a day for one year.

The Haiti Task Force is a registered 501(c)(3).

Youth Connect Sponsors Children's Book Drive – through 5/24

Our Youth Connect students ask for your help in collecting children's books for the annual [Books Are Wings](#) /United Way book drive.

New and gently used books for children — from babies to Grade 5 — are welcome.

No books for adults, reference books, textbooks, workbooks, library books, or mildewed/damaged books.

Books Are Wings (Pawtucket, RI) works with students around the state of Rhode Island, with a focus on communities where children often do not have their own books at home. Books Are Wings works to engage students in their classrooms, at school functions, community events, and playgrounds.

"We believe that offering books to children in different environments instills a consistent message that reading is not just school work - it's a way of life!

"Research [shows](#) that access to books is one of the strongest predictors of interest in reading and academic success. Books Are Wings seeks to provide every child with regular access to books."

We invite you to drop off new and gently used books in the box outside the church office through Memorial Day. Our donations will be picked up that week.

Bistro sit-down community dinners in Fellowship Hall on Tuesdays at 4:30pm!

We have a need for additional volunteers for the Bistro. **You do not need to be here every-week.**

The Bistro serves approximately 35 guests at tables, much like a restaurant. We need help to prepare and cook the meal, prepare salads, serve patrons (salad, dinner, dessert, coffee and tea), as well as cleanup and dishwashing. We also have a volunteer to make individual desserts.

Congregational Care: Caring for Each Other

WE NEED YOU! Congregational care has always been one of the most important missions of Peace Dale Congregational Church and we need you. There are three ways you can enhance this very important part of our church family's mission:

1. **JOIN.** Join the Prayer Circle (meets every Tuesday morning at 9:30 a.m. in the church's community lounge on the third floor) or the Prayer Shawl Group that meets once a month (Carol Edwards is there to teach knitting and crocheting if you want to learn).
2. **DO.** If you can help with any of the following efforts to provide a special sense of support or just a caring thought, please let us know:
 - send cards,
 - make phone calls,
 - deliver flowers or prayer shawl,
 - visit someone.
3. **SHARE.** Let someone on Prayer Circle (listed below) know of anyone you think could use prayers, a prayer shawl, a card, a phone call, or a visit, so we can fulfill a thoughtful caring gesture. Prayers can also be requested in church during Joys and Concerns or using the colorful pew cards; or through the [online form](#) on our website.

LET US KNOW! Sometimes we do not hear about folks who could use a special extra touch of caring; please let us know if you need our caring.

Shalom with love, Prayer Circle
