A House of Welcome

We continue our stewardship campaign this Sunday through the lens of Jesus' teaching in Matthew 25:35-36. As part of our response, we strive to be compassionate and Extravagantly Welcoming to All God's children. This Sunday we will consider the Welcome House and with the help Russ Partridge – Executive Director of Welcome House, we will explore our connection with them and the difference that ministry continues to make in people's lives. This special service will be a traditional worship day, as it is the 5th Sunday of the month.

By the way, our stewardship drive, that has been highlighting ways our ministries make a difference in people's lives, is leading up to an important day on Nov. 12. That is the big in-gathering day on which we will celebrate our congregation's faith commitment of financial support of our *difference-making*, life-changing ministries for the next year. We invite you to put it on your calendar.

It's a joy to worship in a place where All are welcome! See you on Sunday.

Shalom, Brother Fred

Worship Flowers

The flowers of Sunday, October 29 are given to the Glory of God in celebration of another successful pumpkin-selling season, by Sylvia Blanda and Wally Young.

Flowers are a beautiful way to remember a loved one, celebrate a special occasion, or simply give to the glory of God. If you are interested in donating flowers for November/December, please contact Carol Anne Hayes (carolhayes44@gmail.com 401-487-9127). Thank you.

New Members "Class" – 11/19

Sunday, Nov. 19, after Family Service worship. This one is only 45-minutes. We will occupy kids.

It's here! If you've been waiting for a sign to officially join our faith family, consider this your sign. We would be happy to welcome you into the membership, and part of this joyful process is getting to know other new members while you learn more about our church.

If you are coming on Sunday, 11/19, please let us know so we can prepare accordingly. (Talk to Fred, or call or email the office at 401-789-7313 office@peacedalechurch.org)

Projecting Well\$

The projector in the Sanctuary recently decided to quit working, and we needed to buy a new one. This was an unexpected cost. If anyone would like to help by donating toward its cost, it would be appreciated and helpful as we continue to try to meet the needs of running the church. Thank you!

Drop Your Tools!

Stop! Drop those hedge trimmers! Wait to prune your greens 'til the weekend after Thanksgiving. Then you can drop them off at church for the Greens Gang to turn into beautiful wreaths and centerpieces for the Bazaar. Thank you! Submitted by Jeannette Gamache

White Elephants

It's time to prepare for the **Christmas Bazaar** on Sat. 12/2, the week after Thanksgiving.

Upcoming workdays in the Down Under (cellar):

Tuesdays 10/31 & 11/7 from 10:30 AM to 12 PM and Thursday 11/16 from 2:30 to 4 PM.

Only 4 sessions left. No skills required. Yes, you get to shop, but workers pay a premium price for first choice. We socialize while organizing, pricing and boxing items up. Info. jane.stabile@outlook.com or 508 395-1172. **FHB (Family Hold Back) - we have plenty of packing materials and boxes of all types. Please no more!** But, please keep your over stocks and goodies coming. We love 'em!

The Gourd Shepherd

The personal praise may embarrass Wally, but today's issue of *The Independent* carries a phenomenal front-page article about PDCC's Pumpkin Patch benefitting Welcome House, the Navajo farmers who grow the gourds, and the "Pastor of Pumpkins" who makes it happen with the help of many. Keep buying pumpkins through the end of the month.

Name Change

Gratitude Tree, formerly known as The Giving Tree, has changed its name. The Missions Committee voted unanimously last month for this change.

As we all know, this tree has always been placed near the office after Thanksgiving Day. PDCC members have graciously taken tags off this tree and purchased items and brought back unwrapped within the next few weeks to benefit The Jonnycake Center.

The 2-3 week time period doesn't give us much time to raise Christmas gifts for the children. So, the name change will also give us more time to raise much needed gifts for our local children.

Starting October 28th, you will not see a Christmas tree, but instead branches with tags to remove. Rev. Fred will discuss this at this Sunday's service.

Deadline for all gifts is 12/10/23.

The tags will have 5 categories:

- LEGOs
- Gift cards to: Amazon, Marshall's, Walmart and Wakefield Mall. Please look to the old Scripts table or talk with Deb Shaw.
- Sports equipment for child or teen
- Crafts/art supplies for children
- Beauty or hygiene supplies for child or teen

Any questions, please talk to Gabby Klensch.

Coffee Cans Needed!

The very popular Cookie Trail returns for the **Christmas Bazaar!** Yes, we are thinking about December already. In the past we have sold as many as 100 cans of homemade cookies. We need as many 1 lb coffee cans (with lids) as possible. So, drink up and bring us your empties! Empty cans with lids may be left on a counter in the kitchen.

We Are Facing a Deficit for 2023 – We Can Do Our Part to Prevent It

This is a call for each of us to help minimize or eliminate the budget deficit that is looming for the current year. In February, the congregation passed a “faith budget” for 2023 that identified a potential built-in deficit of about \$10,000 – but also built-in hope that contributions would increase to cover that. Budgeting is always a difficult projection of possibilities. The faith part of our budget is that contribution expectations will not only be met but possibly be exceeded. However, this is not turning out to be the case. The amount of contributions budgeted is \$277,000. Contributions represent 67% of our total budget. The other income sources are dependable and static.

What is happening on the contribution side?

Our total contribution receipts as of September 30 are \$195,310 (which is 71% of the total \$277,000 contributions budgeted). This is **\$15,480 less** than at the same time last year, when we also had the same total amount of contributions budgeted.

From another perspective, there are 76 faith commitment (formally pledging) units for a total of \$203,000. To date we have received \$151,000 from those who pledged, or 74%. It is felt (hoped) that those who made this faith commitment will complete that. If not, then we will have a shortfall in that area.

There is a significant number of us who attend and are members who do not make a faith commitment. This leads to uncertainty. The church has received \$44,000 from this group out of a budgeted need for \$74,000, or only 60% received.

If none of this is met, we are facing a deficit of at least \$25,000 for 2023.

Bottom line, what you can do:

1. If you have made a faith commitment, please fulfill that as soon as possible. Also please consider increasing your commitment for 2024.
2. If you do not make such a commitment but are a contributing member or an involved non-member, please contribute at least what you did last year. Also please consider making a faith commitment for 2024.
3. To our new members, we are thankful you are part of us and thankful for what you can give of time, talents, and treasure. Please consider making a faith commitment for 2024.

4. To all participants in the church, please consider using RaiseRight cards for all of your shopping. You receive the full value of the gift card and the church receives a percentage of sales. The budgeted amount from this receipt item is \$5,000, and presently we are well below that. In the past, this area has been able to bring in \$15,000 to the church.

What about expenses?

There is no cushion in the church expenses. Almost 100% of our expenses are to maintain our current operation – program and building. Mission giving is a non-budget item. That means to meet a current deficit we will possibly have to turn to the endowment, from which we already receive 6%. The budgeting for 2024 will undoubtedly mean eliminating some activities or counting on even a greater degree of volunteer work for core functions. We are already stretched in this area.

So please give this serious, prayerful consideration and please do your part. Please contact Jim Blackerby, Carol Vetter, or Peter Swain if you have questions.

Many thanks for all that you all are doing.

Jim Blackerby
Treasurer

“Green Life” from the Green Team

Welcome to our new monthly “Green Life” informational feature! We are excited to embark on this eco-conscious journey together as a church community. In these segments, we will share valuable information, tips, and inspiring stories that promote environmental stewardship. Our goal is to empower each and every one of us to make small, yet impactful changes in our daily lives that contribute to a healthier planet. Together, we can become faithful stewards of the Earth and honor our commitment to caring for God's creation.

For this **initial feature**, the Green Team recommends the following resources:

- “10 Things You Can Do to Fight Climate Change”, promoted by the Southern New England Conference Environmental Ministries Team: <https://www.sneucc.org/10-things-you-can-do-to-fight-climate-change>

Family Service Thank You

Thank you to everyone who participated in the October Family Service and reminded us that God will always love us and never give up on us. That's God's rainbow promise.

October Mission of the Month: LGBT Asylum Task Force

The LGBT Asylum Task Force is a ministry of the Hadwen Park Congregation Church in Worcester MA that was formed in 2008. We welcome LGBTQ people of all faith traditions as we provide shared housing, food, and connection to legal, medical, and mental health resources at other local agencies.

Asylum seekers are not allowed to work for up to two years after arriving in the US. Our vital ministry provides comprehensive support for the entire duration of that two-year period in which it is needed.

We seek to assist by providing housing, food, and a small monthly stipend to cover their most basic of needs. Also, we provide connections to existing *pro bono legal* services. Studies have shown that asylum seekers who have an attorney stand a much greater chance of being granted asylum than those who do not.

Finally, we provide a sense of community. As you might understand, fleeing persecution in your home country to come to a country where you know no one can be emotionally difficult. Our monthly community dinners and workshops aim to ease their transitions to life in the US. Since 2015, we have helped nearly 400 asylum seekers from more than

20 countries by giving them free housing and an almost-living stipend. No other such organization in the country provides housing! That is because it costs \$55,000 a month to take care of the 28 asylum seekers we have on average. With your donations, you have helped our church buy two three-decker houses in Worcester and they are both filled! As hate around the world and in our own country increases, we may need another house soon;

For additional information, see the UCC website at <https://www.sneucc.org/blogdetail/lgbt-asylum-17507911>

Peace Dale Congregational Church supports the LGBT Asylum Task Force as our Mission of the Month. You may donate funds by placing your gift in the Missions basket during Sunday service; sending a check to the church office; or clicking the Give now button below to donate online (peacedalechurch.org/ways-to-give). **Checks should be made out to PDCC with "LGBT Asylum" in the memo line.**

Finding Hope

One day, a little boy and his sister were playing in their yard when they heard a neighbor say, "Don't lose hope."

"I'm afraid I lost hope a while ago," their mom shared.

Feeling sad, the little boy said, "We have to help Mommy find hope."

"What is hope?" his sister asked.

"I don't know," the little boy answered. Then, grabbing his sister's hand, he said, "Let's call Mary Louise."

This was a very good idea. For you see, the little boy and his sister had known Mary Louise their whole lives, and Mary Louise, well, she knew practically everything. After chatting about her two black cats and the birds and squirrels who live in her yard, they talked about hope.

"Hope is a gift that God gives us," Mary Louise explained. "He doesn't put it inside a box like a stuffed animal, game, or clothes. He puts it deep inside us to make us feel happy, safe, and strong."

"How can we help Mommy find the present inside her?" asked the little boy.

"By showing her the things around us that remind us of the hope deep inside us, like a flower ready to bloom in the garden, a butterfly floating by, or a rainbow that fills the sky."

The little boy and his sister thanked Mary Louise. Now, they knew exactly what to do. They ran outside, sidewalk chalk in hand, to draw the most beautiful rainbow they could possibly draw, with the words: **To Mommy, Love God.**

Prayer Matters

To build fellowship and make full use of the congregational power of prayer, we offer this Prayer Matters space to allow

members of our community to lift up their names and requests for prayer. This adds to the opportunities for congregants to lift up their prayers during Sunday service, and to request the care of the [Prayer Circle](#) that gathers every Tuesday morning or of our [Called to Care](#) ministry.

How to share your prayer

You may choose to use all or any combination of: Joys & Concerns on Sunday morning, Prayer Circle ministry, Called to Care ministry, and the new Prayer Matters section of the newsletter.

- To lift up your prayer during **Sunday Service**, simply raise your hand, voice your joy or concern and then say, "this is my prayer"; the congregation responds "this is our prayer". Prayer requests made during Sunday service are shared aloud with those in attendance.
- To request the care of **Prayer Circle**, submit the [online form](#) or call the church office at (401) 789-7313. These requests are shared only with members of this group.
- To request the support of our [Called to Care](#) ministry team, call the church office at (401) 789-7313 or submit the [online form](#). These requests are shared only with members of this group.
- To request your prayer be included in the published **Prayer Matters** in the weekly E-Light, send email to office@peacedalechurch.org or call the church office at (401) 789-7313 (leave message for MaryLou).
