## New Member Sunday – What a Covenant!

Did you know, the chorus and the music to the song What a Covenant, (you may know it as What a Fellowship), was written to comfort two of the song writer's friends who had just lost their wives. It comes from the song of Moses in Dt. 33, which states, "The eternal God is your refuge, and underneath are the everlasting arms." Abraham leaned on those arms; Jesus leaned on those arms, and invites us to lean on those arms too.

As we covenant on Sunday to be God's family, we think about what it means to lean on God's everlasting arms, and we think about our fellowship - what it means for God to work through our arms.

Let's ALL gather together and offer an extgravagant welcome to the newest members of our family of God!

See you on Sunday,

Brother Fred

## October Mission of the Month: LGBT Asylum Task Force

The LGBT Asylum Task Force is a ministry of the Hadwen Park Congregation Church in Worcester MA that was formed in 2008. We welcome LGBTQ people of all faith traditions as we provide shared housing, food, and connection to legal, medical, and mental health resources at other local agencies.

Asylum seekers are not allowed to work for up to two years after arriving in the US. Our vital ministry provides comprehensive support for the entire duration of that two-year period in which it is needed.

We seek to assist by providing housing, food, and a small monthly stipend to cover their most basic of needs. Also, we provide connections to existing *pro bono legal* services. Studies have shown that asylum seekers who have an attorney stand a much greater chance of being granted asylum than those who do not.

Finally, we provide a sense of community. As you might understand, fleeing persecution in your home country to come to a country where you know no one can be emotionally difficult. Our monthly community dinners and workshops aim to ease their transitions to life in the US.

Since 2015, we have helped nearly 400 asylum seekers from more than 20 countries by giving them free housing and an almost-living stipend. No other such organization in the country provides housing! That is because it costs \$55,000 a month to take care of the 28 asylum seekers we have on average. With your donations, you have helped our church buy two three-decker houses in Worcester and they are both filled! As hate around the world and in our own country increases, we may need another house soon;

### Story: My Name is Dr. Erick

I am Dr. Erick Edward Mbiriga, seeking asylum in the United States

In Uganda, I provided medical care to LGBT persons because there are no LGBT health centers. When I was discovered by the Ugandan authorities, I lost my practicing license, my boyfriend was killed, I was arrested, beaten, and had my skin removed from my ribs and my hand using clippers. All the money in my account was frozen.

I got to know about the LGBT Task Force through one of the members that I treated some time back, and so I contacted them while I was in Uganda. I was able to come to seek safety. The Task Force picked me up at the airport, and for once in my life, I felt safe.

I want to practice medicine again but will have to start my education all over again in the USA. In these difficult circumstances, I find joy in life and the new-found family that I have now in the Task Force. I love Hadwen Park Church because it is the only family that I have. I feel the holy spirit at Hadwen Park, where I am comfortable and welcomed. It is the best place to be ever.

## “Green Life” from the Green Team

Welcome to our new monthly “Green Life” informational feature! We are excited to embark on this eco-conscious journey together as a church community. In these segments, we will share valuable information, tips, and inspiring stories that promote environmental stewardship. Our goal is to empower each and every one of us to make small, yet impactful changes in our daily lives that contribute to a healthier planet. Together, we can become faithful stewards of the Earth and honor our commitment to caring for God's creation.

For this **initial feature**, the Green Team recommends the following resources

- “10 Things You Can Do to Fight Climate Change”, promoted by the Southern New England Conference Environmental Ministries Team: <https://www.sneucc.org/10-things-you-can-do-to-fight-climate-change>
- A link urging Amazon to eliminate the use of unnecessary plastic packaging to help end the waste crisis. <https://environmentamerica.org/rhodeisland/take-action/tell-amazon-its-time-to-move-beyond-wasteful-single-use-plastic-packaging/>

So, let's get started on this exciting green adventure and work towards a more sustainable future for our church and our world!"

## PUMPKIN PALOOZA

Preparations Are Well Underway

If you are wondering why you have not seen our friends Mr. Bear and Hazard for a while, it is because they have been busy helping us get ready for the palooza. They have filled all of the trick-or-treat pails, made sample lanterns for the kid's craft table, and extravagantly welcomed the scarecrows. Now they are waiting to welcome you, so look for them in the Community Room window and say hello.

## Confirmation Class

Please let us know if you are aware of high-school age youth who would like to participate in the next session of Confirmation classes. We expect we will not have a class this Fall, due to low numbers of available-aged participants at this time, pending responses here. We would like to have a class next Fall. Please contact Jeff Healy at [healyjeff48@gmail.com](mailto:healyjeff48@gmail.com)

## Prayer Matters

To build fellowship and make full use of the congregational power of prayer, we offer this Prayer Matters space to allow

members of our community to lift up their names and requests for prayer. This adds to the opportunities for congregants to lift up their prayers during Sunday service, and to request the care of the [Prayer Circle](#) that gathers every Tuesday morning or of our [Called to Care](#) ministry.

### How to share your prayer

You may choose to use all or any combination of: Joys & Concerns on Sunday morning, Prayer Circle ministry, Called to Care ministry, and the new Prayer Matters section of the newsletter.

- To lift up your prayer during **Sunday Service**, simply raise your hand, voice your joy or concern and then say, "this is my prayer"; the congregation responds "this is our prayer". Prayer requests made during Sunday service are shared aloud with those in attendance.
- To request the care of **Prayer Circle**, submit the [online form](#) or call the church office at (401) 789-7313. These requests are shared only with members of this group.
- To request the support of our [Called to Care](#) ministry team, call the church office at (401) 789-7313 or submit the [online form](#). These requests are shared only with members of this group.
- To request your prayer be included in the published **Prayer Matters** in the weekly E-Light, send email to [office@peacedalechurch.org](mailto:office@peacedalechurch.org) or call the church office at (401) 789-7313 (leave message for MaryLou).

Shalom, Pastor Fred
