Last Week's E-Light

A Brilliant Advent Theme!

This year is the 204th anniversary of the birth of "Silent Night, Holy Night." This hymn has become the best-loved worship moment for many Christians. Something mystical occurs as we light our candles and sing the hope of "all is calm, all is bright" – peace and light for the world. This worship series will celebrate the carol's message over the entire season of Advent and highlight its call for our lives that can guide us all year long.

This week we begin with verse one, reflecting on the Peace that Christ brings.

If you can only make it to one Advent service, this is the one! There will be great music, videos (re: the famous WWI story), and it will set the theme for the whole season.

I'll see you on Sunday!

May the Peace of Christ be with you,
Pastor Fred

Donate Supplies to Church World Service Kit Projects

Please help us collect supplies! When Women's Fellowship met in September, we decided to continue the Church World Service (CWS) Kit Projects our church has participated in for years.

Last year, with donations from the PDCC congregation, we assembled 39 Hygiene Kits and 28 School Kits. In 2021, CWS distributed 83,760 Hygiene Kits and 33,240 School Kits to disaster victims, families in refugee camps, and impoverished communities in our country and around the world.

Supplies needed for Hygiene Kits

- Cotton hand towel (approx. 15x28 to 16x32)
- Sturdy wide-tooth comb with at least 6" of teeth
- Fingernail or toenail clipper
- Bath size bar of soap in original package
- Toothbrush in original package
- 10 standard size Band-Aids
- (We have enough face cloths)

Supplies needed for School Kits

- Blunt round-tip scissors
- 3 70-count bound notebooks totaling 200-210 pages
- 12-inch rulers
- Large erasers (no pencil cap erasers)
- Unsharpened pencils with erasers
- Boxes with 24 crayons
- (We have enough handheld pencil sharpeners)

We also need handmade cotton bags/cloth handles for School Kits. See Sally Bradley for the pattern.

The Hygiene and School Kit supplies can be left in the Narthex Boxes at the church entrance and in Fellowship Hall. Most of the items can be found at Job Lot or the Dollar Store. We spend our January to March meetings assembling the kits and they are then delivered in April. Hopefully with your help, we can beat last year's totals!

Women's Fellowship meets the second Thursday morning of the month in Hoxie Lounge.

A Report on Worship Design

Greetings on behalf of the Worship Design Task Force. As I am sure many of you know, the PDCC Executive Board charged a task force with recommending a

worship design that meets the needs of our current congregation while inviting new neighbors to join us in worship.

We met three times in the past three weeks. Your many responses to the recent Deacons' Survey are included in our discussions. As might be expected, these have been lively and spirited meetings with many diverse points of view expressed and a variety of ideas considered. In fact, the task force members represent the congregation - with many perspectives about one service or two, what time the service(s) should be held, what format the service(s) should take, how Christian Ed and hospitality can best fit into the service(s).

We plan to prepare a general recommendation at our meeting in early December and then work on the specifics in the new year.

There is no one solution that will satisfy everyone. However, all members of the task force agree on one core point: our service(s) must strive for excellence. As our leadership and our congregation work through this decision we ask for your patience, guidance, an open mind, and your prayer.

My thanks to the members of the task force. Please ask them for more information and gracefully provide input. They are:

Sylvia Blanda, Barbara Gilbert, Jeff Healy, Eve Keenan, Don Lowell, Val Lowell, Kerry McCarty, Jane Stabile, Kateri Wheeler-Clarke, Pastor Fred and Nathaniel as staff, and myself.

Respectfully,
Peter Swain, President, PDCC

With Thanks from the Dinner Table

"The root of joy is gratefulness. It is not joy that makes us grateful; it is gratitude that makes us joyful." David Steindl-Rast

During this Thanksgiving, we at the Dinner Table give Thanks for all the wonderful members of this church and community who give so generously of their time, talent and treasures to make this PDCC mission successful. As a result of your generosity, we are able to provide free, nutritious meals to our neighbors in need. Since January, the PDCC team has served 8,285 meals just on Wednesdays.

All who have shepherded this mission are so pleased at how others have embraced this work. Almost two years ago, our brothers and sisters in Christ from St. Francis of Assisi's chapter of St. Vincent de Paul joined us. That meant that our outreach literally doubled. In addition, this month the Narragansett chapter of the NFWC Women's Club of South County has joined our efforts. This enthusiastic group cooked their first meal on November 8th and will be cooking, serving and even delivering meals on the second Tuesday of each month. Not only does their help give PDCC volunteers a week off, it spreads the Dinner Table mission further into the community.

The work of the Dinner Table has been further validated by some generous donations from the Rotary Club, as well as a \$1000 anonymous donation. As of this writing we await word on our application for a Grow Hope Grant from the Women's Club. We also were the recipients of a huge amount of tuna, caught right off our coast, donated to the Jonnycake Center and then donated to us. All of that is in addition to the generosity of

those who give annually and/or monthly to this mission, as well as those who support the St. Patrick's Day Fundraiser and the golf tournament. We at the PDDT are so thankful.

The Dinner Table not only feeds the tummies of all whom we serve, but feeds the souls of those wanting to help others. Our intergenerational group of volunteers continues to grow; they work side by side cutting bread, serving meals and delivering food to cars. Our reservation system, so carefully monitored by Val Lowell provides us with the data needed to cook and deliver meals. Our drivers, runners, packers and servers ensure that everyone gets their meal.

Since January, the PDCC team has served 8,285 meals just on Wednesdays.

It is humbling to learn from our clients what a difference these meals make in their lives. A recent message in response to a facebook posting about one of our dinners stated that not only were the meals delicious, receiving the PDDT dinners had helped this woman's family during a very tough time. Another family has let us know how much they count on these meals to get them through the week. On occasion, we receive a call from someone whose meal has not yet been delivered. Their fear that they have been missed is palpable. Time and again, God lets us know that PDCC's mission and outreach to the community is making a difference to the vulnerable (and often invisible) among us.

Blessings to you all for all that you do.

Prayer Matters...

Prayer Matters in the E-Light provides a way to share a request for prayer more broadly within the PDCC community.

To build fellowship and make full use of the congregational power of prayer, we offer this Prayer Matters space to allow members of our community to lift up their names and requests for prayer. This adds to the opportunities for congregants to lift up their prayers during Sunday service, and to request the care of the [Prayer Circle](#) that gathers every Tuesday morning or of our [Called to Care](#) ministry.

How to share your prayer

You may choose to use all or any combination of: Joys & Concerns on Sunday morning, Prayer Circle ministry, Called to Care ministry, and the new Prayer Matters section of the newsletter.

- To lift up your prayer during **Sunday Service**, simply raise your hand, voice your joy or concern and then say, "this is my prayer"; the congregation responds "this is our prayer". Prayer requests made during Sunday service are shared aloud with those in attendance.
- To request the care of **Prayer Circle**, submit the [online form](#) or call the church office at (401) 789-7313. These requests are shared only with members of this group.
- To request the support of our [Called to Care](#) ministry team, call the church office at (401) 789-7313 or contact Rene Lamontagne at her number found in Breeze. These requests are shared only with members of this group.
- To request your prayer be included in the published **Prayer Matters** in the weekly E-Light, send email to office@peacedalechurch.org or call the church office at (401) 789-7313 (leave message for MaryLou).

Shalom, Pastor Fred
