## Belief, Love, Action!

Hello my friends! Last Sunday we celebrated the invitation to come to God's table. This Sunday you are invited, once again, to celebrate the Love of Christ – as we will share Holy Communion. We will consider the connection between belief, love, and action. There will be a fair amount of scripture included so you might want to read ahead - John 10:11-18 and 1 John 3:16-24. Our beloved bell choir will also enhance our worship experience.

Following worship a new member class will be offered. Come and help build the shalom of our faith body. I look forward to seeing you soon!

Peace and Joy, Brother Fred

## Do You Want to Join PDCC?

**Sunday, May 5 @ after worship, in the Community Room upstairs**

If you've been waiting for a sign to officially join our faith family, consider this your sign. We will be happy to welcome you into the membership of Peace Dale Congregational Church! Part of this joyful process is learning more about our church while also getting to know other new members. To that end, we have a one-and-a-half hour "class" about PDCC, UCC, and you.

**If May 5<sup>th</sup> does not work or you, please let us know!** (Talk to Fred, or call or email the office at 401-789-7313 or [office@peacedalechurch.org](mailto:office@peacedalechurch.org))

We welcome you to our warm and welcoming – and busy – congregation!

## Worship Flowers

**The flowers of May 5 are given to the glory of God and in memory of her husband Charlie Fiske by Bonnie Fiske.**

Flowers are a beautiful way to remember a loved one, celebrate a special occasion, or simply give to the glory of God.

If you are interested in donating Sanctuary flowers for May or June please contact Roberta Norman at 401 226-7123.

## Report of the Rhode Island UCC Association Meeting at PDCC 4/28

A big thank you to all the volunteers that contributed to a

From the set-up/kitchen crew (Cindy Dowgiallo, Christine Grevstad, Cindy and Byron Fish, Priscilla Archambault), technical support (Joanne Haynes and Jim McMonigle), greeter (Sally Bradley), and clean-up (Wally Young, Tom and Meg Kolodziej, Ed Holt), we welcomed over 50 clergy and laypeople from over 15 churches across the RI Association.

The afternoon consisted of worship led by Rev. Bob Nolan (Vice President of RI Association) and Pamela

Poniatowski of the RI Poor People’s Campaign, a presentation by the Haiti Task Force, Racial Justice & Equity Workshop facilitated by Rev. Noah Brewer-Wallin (Assistant Director of DEI at SNEUCC) and Rev. JaQuan Beachem (Andover Newton Seminary), and the business meeting of the RI Association of the Southern New England Conference of the United of Christ (SNEUCC).

Delegates and Clergy will next gather at the 5<sup>th</sup> Annual Meeting of the SNEUCC on the campus of UMASS Amherst on June 21-22.

## Collecting Unused Greeting Cards

Don't know what to do with those unused greeting cards from charitable organizations? Don't look any further! Inside the PDCC Narthex is a cardboard box for you to put them in.

Mary Louise and I have resurrected this collection in hopes that people who need cards may use them and they are free. They will be organized into groups: holidays, sympathy, birthdays, blank cards, etc. Currently there is a box of these cards in Tabitha's Closet for guests to take and use.

**If you know of any organization/s that may benefit** from these cards, please contact Mary Louise or me, Gabby at 401-932-8350 text/call. (St. Jude's will take cards that do not list another charitable organization.)

Plus, this saves our environment by not throwing them away. Thank you.

## Recycling Challenge – Saving Our Earth 1 Plastic Bag @ a Time

We are searching for a new organizer (or pair or group of organizers) of the TREX Recycling Challenge program at PDCC – you know, the white collection box for plastic bags outside the doors.

Collecting plastic bags & film keeps thousands of pounds of waste out of landfills and helps make eco-friendly outdoor products (like the benches outside the church). Gabby will offer personal training so you can see the way she has done this; you can develop a way that works for you. Contact Gabby Klensch (401) 932-8350

## No Mow May – What's that about?

No Mow May is a catchy name for an environmental movement, started in the U.K., that begs us to reexamine the American lawn. No Mow May can help us understand how we share our lawn with many small creatures by suggesting that we pause lawn mowing for a period of time in May.

Did you know that our lawns cover more than 40 million acres in the United States? It's true. Our lawns represent 2% of land in the United States, making our lawns the single largest irrigated crop we grow.

We mow our lawns, fertilize them, water them and treat them with chemicals that can be harmful to bees and other invertebrates. A lot of resources, including time and money, are dedicated to our lawns. Lawns contribute significantly to habitat loss and provide little benefit to wildlife.

Bee populations have been in decline in recent years due to loss of habitat, parasites and pesticides. This is tragic because bees are responsible for pollinating \$15 billion in agricultural products in the U.S. each year and 80% of our flowering plants.

The emergence of bees coincides with the beginning of the lawn mowing season. The bees are hungry at the same time that we are mowing down some of the flowering plants that could provide them with sustenance. When we resume mowing at the end of May, other sources of food usually appear.

It will be of tremendous benefit to the pollinators we depend on to ensure our own food supply if we cut back on mowing in May. Choices for participating in No Mow May include not mowing the entire yard for a month or not mowing the entire yard or a portion of the yard for a

few weeks. Some people may want to keep a tidy mowed border around the unmowed portion with signage describing their intentions. Expect to see No Mow May signs (available online) sprouting in yards all over South County!

Every one of the choices we make about No Mow May will make a difference in the lives of the pollinators and in our lives as well.

## Screening of "Common Ground"

**Common Ground** is the highly anticipated sequel to the juggernaut success documentary, **Kiss the Ground**, which touched over 1 billion people globally and inspired the USDA to put \$20 billion toward soil health.

Peace Dale Congregational Church, in collaboration with UUCSC and St. Augustine, will be hosting a screening of a "Common Ground", with discussion to follow.

Join the solution-driven movement of regenerative leaders as they make a case for soil health across North America and beyond. We can all find our 'common ground' to heal the soil, our health, and the planet. No action is too small.

Light refreshments will be served.

## Sharing More Joy: PDCC Podcasts

Interviews with members of our church family about the joys of their faith – the “Sharing More Joy” series – can be found on the church website under the News tab (<https://www.peacedalechurch.org/podcasts>).

## Prayer Matters

To build fellowship and make full use of the congregational power of prayer, we offer this Prayer Matters space to allow

members of our community to lift up their names and requests for prayer. This adds to the opportunities for congregants to lift up their prayers during Sunday service, and to request the care of the [Prayer Circle](#) that gathers every Tuesday morning or of our [Called to Care](#) ministry.

### How to share your prayer

You may choose to use all or any combination of: Joys & Concerns on Sunday morning, Prayer Circle ministry, Called to Care ministry, and the new Prayer Matters section of the newsletter.

- To lift up your prayer during **Sunday Service**, simply raise your hand, voice your joy or concern and then say, “this is my prayer”; the congregation responds “this is our prayer”. Prayer requests made during Sunday service are shared aloud with those in attendance.
- To request the care of **Prayer Circle**, submit the [online form](#) or call the church office at (401) 789-7313. These requests are shared only with members of this group.
- To request the support of our [Called to Care](#) ministry team, call the church office at (401) 789-7313 or submit the [online form](#). These requests are shared only with members of this group.
- To request your prayer be included in the E-Light newsletter, send email to [office@peacedalechurch.org](mailto:office@peacedalechurch.org) or call the church office at (401) 789-7313 (leave message for MaryLou).

Shalom, Pastor Fred
